Summary

Experienced Java Full Stack Developer with a year of hands-on expertise in software development, excelling in the creation of robust APIs, optimization of data workflows, and ensuring exceptional system performance. A dedicated team player with a proven track record of collaborating across functions to deliver impactful solutions.

Technical Skills

- **Programming Languages:** Java, JavaScript, Python
- **Framework:** SpringBoot, Spring MVC, Microservices, Hibernate, JPA, REST APIs
- **Web Technologies:** HTTP, REST, XML, JSON
- **Databases:** MS SQL Server, Oracle, MySQL
- **Development Tools:** Eclipse, SQL Developer
- **Version Control:** Git, GitHub
- **Operating system:** Windows, macOS

Professional Work Experience

Accenture Solution Private Limited

Oct 2022 – Nov 2023

Client: Mondelez International

Role: Associate Software Developer

- Spearheaded the design and development of scalable and efficient Java applications, demonstrating proficiency in core Java, Spring Boot, and Hibernate.
- Collaborated with cross-functional teams to analyse project requirements, ensuring the delivery of high-quality, performant, and maintainable code.
- Played a key role in optimizing application performance, resulting in a 25% improvement in response time.
- Implemented RESTful APIs, leveraging the Spring framework, to enhance data communication and system integration.
- Led initiatives in database management, including MS SQL Server, Oracle, and MySQL, achieving a percent reduction in data retrieval times
- Utilized version control tools such as Git and GitHub for efficient code management and collaborative development.
- Applied best practices in software development life cycle (SDLC) and participated in code reviews to maintain code quality standards
- Stayed abreast of industry trends and emerging technologies, integrating them into project development where applicable.

Edureka

Nov 2021 – Aug 2022

Role: Full Stack Web Development Intern

- Hands-on Contribution to Zomato clone project, gaining practical experience in full stack web development.
- Successfully implemented key features, enhancing overall project functionality.

Education

- Bachelor of technology In Computer Science and Engineering
Hindustan University, Chennai Jul 2018 – May 2022
Percentage: 78.6%
- Board of intermediate Education
Narayana Junior College Aug 2016 – Jun 2018
Percentage: 92%

Certifications & Achievements

- Certified as a Java Full Stack Web developer – Certification Authority
- Gained a certificate in Career Edge Young Professional – TCS-Ion
- Attained Quality objectives through optimization of testing procedures.
