Summary

Results-driven MuleSoft Developer with experience in designing, developing, and deploying integration solutions. Expertise in MuleSoft Anypoint Platform, API development, and API-led connectivity. Strong background in RESTful services. Seeking an opportunity to deliver high-quality solutions and improving business processes.

Technical Skills

- **Programming Languages:** JavaScript, Dataweave
- **Integration Platforms:** MuleSoft Anypoint Platform, Mule ESB, Cloudhub 2.0, Anypoint Studio
- **API Management:** RAML, REST, SOAP
- **Cloud Platforms:** Azure
- **Databases:** MongoDB
- **Tools & Technologies:** Git, Postman, Splunk, Visual Studio Code
- **Methodologies:** Agile, Scrum

Professional Experience

MuleSoft Developer

Tata Consultancy Services(TCS)

May 2023 – Present

- Designed and implemented API-led connectivity solutions using MuleSoft Anypoint Platform.
- Developed and deployed APIs and integrations to facilitate seamless communication between Salesforce, SAP, and other systems in **Anypoint Studio**.
- Deployed the Mulesoft APIs into **Cloudhub** through **Azure** CI/CD.
- Collaborated with cross-functional teams to gather requirements and ensure alignment with business goals.
- Conducted performance tuning and optimization of MuleSoft APIs.
- Assisted in the deployment and monitoring of MuleSoft application in production environments using monitoring tools like **Splunk** and **Runtime Manager**
- Provided support and troubleshooting for integration issues and resolved them.

Assistant System Engineer

Tata Consultancy Services(TCS)

December 2022 – April 2023

- Developed APIs using C#.Net

Programmer

Tata Consultancy Services(TCS)

December 2021 – November

2022

- Cleaned and annotated dataset with proper labeling for feeding into the machine learning model.
- Developed a program to zip many dataset files using py7zr and python automatically.

Education

Degree	College/School	CGPA/Percentage
Bachelor of Computer Applications	Siliguri College(University of North Bengal)	7.99(CGPA)
12 th	Caesar School	77.5%
10 th	Caesar School	8.6(CGPA)
