5/3 Keela Kandi Street
Beemanagar, Trichy - 620001

Name: SASIKALA P**Email:** sasikala2000.s@gmail.com**Mobile No:** 7092721173

Career Objective

To work for an organization which provides me the opportunity to improve my skills and knowledge towards personal growth along with the organization objectives.

Highlights of Qualification

Project Experience:

➤ **Project : RoomRite – Web Application**

Role: *Full Stack PHP Developer*

Description: Led the development of RoomRite, a web application enhancing room booking processes for hotels. Implemented user-friendly interfaces and real-time booking features, resolving technical challenges for seamless user experience.

➤ **Project : B2c (iSportz) – Social Media Mobile Application**

Role: *React Native Developer*

Description: Developed a React Native-based social media app with a specialization in sports news delivery. Inspired by popular platforms like Instagram and Facebook, designed and implemented a full suite of features including user profiles, media sharing, news feed, comments, likes, and direct messaging.

Key Responsibilities: Developed and maintained core features of the application using React Native. Conducted testing and debugging to ensure the reliability and performance of the application across different devices and platforms.

Professional Experience

- ✓ **QR Solutions Pvt Ltd – Trichy**
Junior Mobile App Developer (React Native)
Period: Dec 2024 – Jan 2025

- Developed a mobile application for AppRetail, a live web platform now expanding into mobile.
- Built the app using React Native and REST APIs, ensuring seamless integration with the existing web system.
- Implemented key features, including:
 - Vehicle inspection module for assessing and documenting vehicle conditions.
 - Dashboard providing real-time insights and analytics for dealership management.
 - Profile Module – Allowed users to create, update, and manage their profiles within the app.
- Collaborated with the backend team to optimize API performance and ensure data consistency between web and mobile platforms.
- Conducted thorough testing and debugging to enhance performance and user experience.

✓ **iSportz India Pvt Ltd - Trichy**

Junior React Native Developer

Period: Apr 2023 to Mar 2024

- Developed and maintained mobile applications using React Native, adhering to best practices and performance optimization techniques.
- Led the development of key features, including:
 - User authentication and authorization systems
 - Profile creation and customization
 - Image and video uploading with editing capabilities
 - News feed and timeline functionality
 - Personal network management features such as followers and following
 - Notifications and activity feeds
- Collaborated with the team to design and implement user interfaces for iOS and Android platforms.
- Integrated third-party libraries for functionalities such as push notifications and authentication.
- Conducted thorough testing and debugging to identify and resolve issues, ensuring a smooth user experience.

✓ **Integrass Solution Pvt Ltd(iSportz) - Trichy**

Junior Full Stack PHP/Laravel Developer

Period: Nov 2022 to Mar 2023

- Developed web applications using PHP and Laravel framework.
- Participated in full-stack development, including front-end (HTML, CSS, JavaScript, Jquery) and back-end (PHP, Laravel).

- Collaborated with team members to design, develop, and deploy scalable web solutions.
- Implemented RESTful APIs for data exchange between front-end and back-end systems.
- Utilized MySQL for database management and optimization.
- Resolved software bugs and improved existing software functionality.
- Utilized Git for version control and source code management.

✓ **Integrass Solution Pvt Ltd(iSportz) - Trichy**

Internship (Junior Full Stack PHP Developer)

Period: Jun 2022 to Oct 2022

- Engaged in a learning period where I acquired proficiency in PHP, Laravel Framework, HTML, CSS, JavaScript, and jQuery, gaining a solid understanding of these technologies.
- Utilized Bootstrap framework to enhance the responsiveness and aesthetics of web interfaces.
- Integrated front-end designs with back-end functionalities to ensure seamless user experiences.
- Implemented and optimized SQL queries for database management and manipulation.
- Participated in daily tasks including:
 - Writing clean, maintainable code following industry best practices.
 - Collaborating with team members on project planning, feature implementation, and issue resolution.
 - Conducting code reviews and providing constructive feedback to peers.
