PROFESSIONAL EXPERIENCE

Anubavam Technologies Pvt Ltd

Junior Frontend Developer

Chennai, India

August 2023 - December 2024

- Handled and resolved tickets related to page or module issues by debugging and troubleshooting efficiently to ensure seamless user experiences.
- Contributed to the development and completion of core modules such as CRM, Admissions, Academics, Scheduling, and Survey by designing and configuring fields to meet project requirements.
- Collaborated in discussions to enhance module functionality and improve overall product performance.
- Utilized HTML, CSS, JavaScript, and React.js to build and optimize user interfaces, ensuring responsiveness and cross-browser compatibility.
- Provided minor backend support using Java to assist with integrations and functionality enhancements.
- Worked on an educational platform tailored for clients from Arab countries, including Dubai, Abu Dhabi, and Saudi Arabia, delivering localized and user-friendly solutions.
- Gained experience in a fast-paced product and service-oriented environment, contributing to diverse, client-focused projects.
