MY STRENGTHS

Passionate Learner

Leadership & Teamwork

Strong Analytical Skills

TECHNICAL ACHIEVEMENTS

Completed a course on Web Development from Coursera.

Completed a course on Cyber Security from Coursera.

Learned about AWS Cloud Fundamentals from AWS certified mentors.

CO-CURRICULAR ACTIVITIES

- Participated in various cultural and educational events organised by our university.
- Freelanced and prepared logo's and animations for various brands all over India.

MY PROJECTS

Snake Game

Created a Snake Game using HTML, CSS and Javascript

- It proved to be a time buster for kids during the lockdown period and also helped them sharpen their minds.
